

IT Policy

Please review the following requirements for OBIX Online education courses:

- Courses must be taken on a computer or laptop. OBIX online educational courses are **NOT** compatible with mobile devices (phone, tablet, iPad, etc.)
- Computer or laptop must have a sound card and speakers and/or can support audio via headphones or earbuds
- Courses may be taken on the following browsers and versions:
 - Chrome
 - Firefox
 - Safari 8 and above
 - Edge

Using other browsers or browsers below the required versions above will result in compatibility issues. Taking the course without compliance to the above requirements may result in the course not functioning as designed.

Note: OBIX P.O.E.T. educational courses should be taken when learners are free from patient care
